Helping notaries faced with cross-border questions

The ENN-RNE is a tool for notaries facing practical issues with cross-border aspects covering the 22 EU Member States that have civil law notaries.

- questions and answers on the foreign and European law
- eu-wide projects with informations on European and national legislation in the fields where notaries act

Are you dealing with a cross-border matter? A succession, a start-up or a marriage contract involving another EU Member State? Do you need information about the application and transposition of Community legislation in your country? Are you confronted? Your European Notarial Network (ENN) interlocutor is here to support you

ENN infrastructure

The ENN's new IT infrastructure is activated.

As a "one-stop platform" the ENN IT Infrastructure is operational to all notaries in Europe:

1. To open an account with secure access (username and password) to the databases and working documents provided by the ENN;
2. To develop Tools for notarial cross-border practice and for citizens. E.g. Creation of bilingual forms to be used in the notarial practice.
